

The Upper Room

Baptism Cards

The Baptism cards designed for the Upper Room Global Ministry.

Top: This was the layout designed for in house printing. So that the card opens up in the center. On one side is the picture of cottesloe beach where the baptism was to take place on the other, the deeper meaning of the event. At the back which is the middle panel, it symbolises the end of the design with the sun setting over Cottesloe Beach.

Left: The inside of the baptism greeting card. It has the Cottesloe beach theme flowing through it.. The imagery of the stairs used invites the viewers down to the beach. The image used helps capture the memories they had at that place.
